

### PRODUCT DESCRIPTION

IMG® Brake & Parts Cleaner is a professional strength cleaner with NO chlorine and a very LOW ODOR. Its unique formulation and powerful spray effectively dissolves and removes all types of contaminants including brake dust, dirt, grease, asphalt deposits, oils, and others.

### FEATURES

- Cleans clutches, wheel bearings, non-electrical tools, disc and drum brakes, C.V. joints, large and small parts, metal surfaces, and more
- Dries quickly
- Leaves NO residue after drying
- Removes thick brake dust and cleans brakes without the need for disassembling the brake unit

### DIRECTIONS FOR USE

**Do NOT apply to hot surfaces.**

**Do NOT use on painted surfaces or plastics. If overspray occurs, do not rub cleaner into the surface and flush with mild soap and water immediately to prevent damage.**

**Use IMG® Brake & Parts Cleaner ONLY in a well-ventilated area.**

1. Shake the can well before using.
2. Make certain that the working area is cool to the touch.
3. Remove or properly cover rubber and plastic components, seals, and painted surfaces.
4. Holding the can about 12-24 inches away from the surface to be cleaned, apply IMG® Brake & Parts Cleaner directly onto the surface in short bursts.
5. Wait about 10 seconds for the dirt and deposits to fully drain.
6. If any stubborn deposits remain, spray them directly to flush them from the surface.
7. Allow the surface to air dry completely, or thoroughly wipe down with a soft, clean cloth.
8. Repeat the application if necessary.
