

PRODUCT DESCRIPTION

IMG® Complete Fuel System Cleaner is a high performance fuel additive designed to clean automotive fuel injectors, fuel lines, valves and other essential components that are vital to an efficient fuel system.

Application:

- Recommended for all fuel injected engines.
- May be used with every fill-up to maintain clean fuel system.
- Recommended for regular use in all domestic and imported vehicles, including those with turbocharged and supercharged engines.

FEATURES

- Quickly and effectively removes dirt and deposits from all components of gasoline fuel systems.
- Thoroughly cleans fuel tank, fuel pump, fuel lines, intake valves, fuel rail, fuel injectors, and combustion chambers.
- Restores the optimal spray pattern and spray capacity of fuel injectors.
- Helps to prevent engine knocking.
- Prevents new deposits when used on a regular basis.

DIRECTIONS FOR USE

1. Turn off the engine.
2. Remove the vehicle's fuel filler cap.
3. Open the IMG® Complete Fuel System Cleaner by removing the cap.
4. Carefully puncture or remove the seal underneath the cap.
5. Pour IMG® Complete Fuel System Cleaner directly into the fuel tank before re-fueling.
6. Replace the fuel filler cap and close it properly.

Use one bottle of IMG® Complete Fuel System Cleaner (12 fl. oz) to treat 16 gallons of fuel.

To keep your vehicle's fuel system operating at its peak efficiency, add IMG® Complete Fuel System Cleaner to your fuel tank every 3,000 miles.
